We invite you to **SHOP** and **COMPARE**, our product quality and variety, by calling us today for your free box of samples. Ask your local KidSmart representative about our “Early Bird” Bonus offers!

Kids Kash

Many schools have students who need a little extra “help” in order to participate in the gift shoppe. These \$1 Kids Kash coupons are included in the early shipment of supplies (with the posters, parent letters, etc.) in late October/early November. You can distribute them at your discretion to deserving students. School will deduct any Kids Kash Coupons used from the amount due at the end of the sale.

6' Jumbo Stocking of Toys

This gigantic stocking comes with drawing slips. Schools can sell chances and make up to \$500 or more as a raffle item, or simply give it away. Stocking is included in early shipment in late October/early November.

Programmable Cash Register

Perfect for fast and easy check out. Set your own prices and ring up each item on the matching code key. Register is included in the early shipment of supplies (with posters, parent letters, etc.) in late October/early November.
